Our entire construction methodology is based upon our ability to vary each and every component in every guitar we make. We take pride in our responsiveness and flexibility as a TRUE custom shop. Serious inquiries regarding custom work are always welcome.

PLEASE NOTE that we offer as standard equipment many features which other companies charge extra for. Adirondack tops, TKL American Vintage hardshell, custom-fitted cases, Waverly tuners (except 12 strings), all wood binding and purfling (even on cutaways) are NOT extra cost options, but are included on ALL our guitars.

Top Materials

Adirondack and Sitka Spruce are available at no extra charge.
